

Our mission is to foster a Montessori educational environment that develops each child's unique qualities and abilities, empowering them with the skills for a lifetime of creative thinking and learning, while also encouraging personal and social responsibility.

Core Values

AIMS is a private school committed to the Montessori philosophy and its practice. Our values are:

Excellence in learning and teaching.

Respect for the child, one's self, others and the environment.

Encouraging Independence both at our school and at home.

Interesting and exciting materials and learning environments.

Fulfilling Individual potential through self learning, independence, creativity and self expression, and focusing on each child's strengths and interests.
